Information notice pursuant to Articles 13 and 14 of EU Regulation 679/2016

Joining the European Network of Integrated Cancer Centres entails the processing of information considered personal data* under the applicable legislation (EU Regulation 679/2016). Such data (name, position, email and telephone contact details, country, city) will be collected through the online completion of the form for an initial expression of interest and, at a later stage, may be contained in documents that could be uploaded as attachments, such as:

- CCC certificate issued by the certification body in PDF format.
- Document declaring the centre's eligibility for registration. https://gov.eunetccc.eu/common/templates/eligibility_declaration
- Document describing the institutional profile of the centre. https://gov.eunetccc.eu/common/templates/institutional_profile
- Document expressing the centre's intention to undergo the EUNET-CCC certification process. https://gov.eunetccc.eu/common/templates/letter_of_intent_euccc
- Document expressing the centre's intention to undergo the certification process with OECI or DKH. https://gov.eunetccc.eu/common/templates/letter_of_intent_dkh https://gov.eunetccc.eu/common/templates/letter_of_intent_oeci
- Document demonstrating that the centre has initiated the recertification process with the certification body.

The data will be processed by specifically authorised personnel, and providing such data is necessary for joining the European Network of Integrated Cancer Centres. The legal basis is Article 6(1)(b) of EU Regulation 679/2016 (the processing is necessary for the performance of a contract, including any pre-contractual measures).

The data will also necessarily be transferred to the portal https://eunetccc.eu/, which will be accessible to the competent authorities of the respective countries, as well as to other offices and service functions.

The data will be retained for as long as necessary to pursue the purposes indicated above, as well as in accordance with the statutory retention periods for contractual documents (approximately 10 years).

The Data Controller is **Alleanza Contro il Cancro (ACC)**, with registered office at Via Giorgio Ribotta, 5 – 00144 Rome. To exercise the rights relating to access, rectification, erasure, restriction, retention, objection and portability of personal data; to learn the names of companies or third parties that will process the personal data; or to learn how to exercise the right to lodge a complaint with a supervisory authority, you may contact the **ACC Data Protection Officer** directly at: monturano@alleanzacontroilcancro.it

The portal https://eunetccc.eu/ is managed by Oslo University Hospital - Personvern (Contact details - Email: personvern@ous-hf.no)

** Personal data: any information relating to an identified or identifiable natural person (the "data subject"); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to their physical, physiological, genetic, mental, economic, cultural or social identity (Article 4(1) of Regulation (EU) 2016/679).*
